Re: Docket No. 13391, Judge Echarte

Dear Mr. Jimenez:

The Commission has completed its review of your complaint in the above matter and has determined, at its meeting held on Thursday, October 3, 2013, that the concerns you have expressed are not allegations involving a breach of the Code of Judicial Conduct warranting further action by the Commission but are matters for handling solely through the normal court process.

The purpose of the Commission is to determine the existence of judicial misconduct and disability as defined by the Constitution and the laws of the State of Florida. If such misconduct or disability is found, the Commission can recommend disciplinary action to the Florida Supreme Court. The Commission has found no basis for further action on your complaint that therefore has been dismissed.

Sincerely yours,

A handwritten signature in blue ink, appearing to read "Michael L. Schneider".
