

This is a photo posted by Marcelo Villarreal Aragon in his facebook account before my ex underwent breast augmentation. Picture taken sometime before September of 2008 (notice breast size at that time):

This is a photo of my ex after she underwent breast augmentation in September of 2008. She insisted in obtaining the surgery claiming that I was realizing my dreams of becoming a physician, but that she could not realize her dreams of becoming a model because of her breast size:

Photo taken after our separation in November of 2009 and posted in Marcelo's facebook account:
